Monitoring Market Prices	con mar the the incl ava mer	Monitoring shall be done monthly and more often as economic conditions warrant by using appropriate reports, indices, or bench- marks for the type of investment. The investment officer shall keep the Board informed of significant declines in the market value of the College District's investment portfolio. Information sources may include financial/investment publications and electronic media, available software for tracking investments, depository banks, com- mercial or investment banks, financial advisers, and representa- tives/advisers of investment pools or money market funds.	
Monitoring Rating Changes	offic ratir	In accordance with Government Code 2256.005(b), the investment officer shall develop a procedure to monitor changes in investment ratings and to liquidate investments that do not maintain satisfactory ratings.	
Investment Strategy	The College District maintains portfolios that utilize specific invest- ment strategy considerations designed to address the unique char- acteristics of the following fund groups represented in the portfo- lios:		
	1.	Operating Funds. Investment strategies for operating funds and commingled pools containing operating funds have as their primary objective the assurance that anticipated cash flow are matched with adequate investment liquidity. In order to accomplish this, the College District shall maintain ade- quate balances in short-term investments with necessary li- quidity to ensure that sufficient funds are available for the continued operations of the College District. Funds shall not be invested in securities with stated maturities that exceed the reasonable expected expenditure time period.	
	2.	Debt Service Funds. The College District shall maintain as its primary objective, the safety of principal with regard to all monies collected or allocated for debt service. Secondly, the College District shall seek to maximize the return on such funds while ensuring sufficient funds for timely payments of its debt obligations. In order to accomplish this, the College Dis- trict shall invest such funds in amounts and maturity dates that most likely will meet the debt service requirements of the College District.	
	3.	Capital Improvement Fund. The College District shall maintain as its primary objective, the safety of principal with regard to all monies collected. The College District shall seek to maxim- ize the return of such funds while ensuring sufficient funds for timely payments of its obligations.
